I hope you will join everyone at the Catholic Schools Week Kickoff celebration tomorrow evening. Please review the weekly school newsletter for an order of events and dress down days.

Also, if you have not done so, please view your child's 2nd quarter report card on SchoolSpeak and hit the sign button.

Mrs. Nies

Religion:

We discussed how the Holy Spirit is our guide in this world. We also explored ways to lead lives that reflect God's goodness. (See pages 146-149).

Reading/Language Arts:

In Reading, small groups of students had a chance to act as "game master" for a classroom celebration. Each group did an excellent job teaching us their games. We are nearing the end of our second book. Students have been assigned an end of unit project.

In Language Arts, we used personal pronouns as the subject of sentences. We also identified singular and plural personal pronouns.

Unit 10 Vocabulary Words:

Distress, drench, swell,
juvenile, outstanding,
proceed, register, sift,
spree, tardy, unfit, variety

Math: We related multiplication and division facts, found missing dividends, and divisors, looked for number patterns. (See pages 168-172 for review.)

Science/Social Studies: In Science, we have been discussing vascular, nonvascular plants, and vertebrates and invertebrates.

In Social Studies, we are exploring landforms of the northeastern United States. We learned about the variety of tree resources and practiced using latitude and longitude on our maps.
