I began posting 2nd quarter grades on Wednesday of this week. Please be sure to take a look at your child's progress. Grades will continue to be posted on Wednesdays throughout the rest of the quarter. As always, if you have questions or concerns, do not hesitate to reach out to me.

Classroom cookbooks were sent home with your child this last week. We will be hosting a classroom feast on November 30. A note with additional information was sent home with your child today.

Due to the shortened week to celebrate Thanksgiving, my next newsletter will be posted on December 1. Have a wonderful Thanksgiving, and a safe break!

Reading/Language Arts:

Reading: We have been reading *Stuart Little*. This week, Stuart captained a ship in a local boat race.
Language Arts: Students learned to write and use plural possessive nouns, collective nouns, and identify subject nouns.

Math: Students solved a variety of story problems, and were tested on the content from Chapter 3.

Science/Social Studies:

In Science, we reviewed different types of energy and wrapped up chapter 1.

In Social Studies, we learned about cause and effect, and about the different resources that come from the southeastern United States.
