

# December News

Dear Parents:

Wow! It's hard to believe that Christmas is upon us. As you can imagine, the kids are ready. Christmas is in the air.

Phonics/Spelling- We will be reading, writing and spelling words with digraphs- ch, th, wh, and sh.

Religion- Every day we light our Advent wreath and pray an Advent prayer. I also read a miniature book from our classroom Advent calendar.

Science- Students will learn how energy is used, what gives off heat and what makes light and sound.

Language- Students will focus on reading and writing verbs.

Reading- The children continue to improve. When your child reads a book at home, they are expected to read a story either alone or with you. Some of the children need help sounding out words. Your goal is to help them sound out unfamiliar words, and finish the story before they get frustrated.

Happy Holidays!  
Mrs. Audra Rizzo
