March 23: Report Cards Posted  
March 28<sup>th</sup>: Talent Show  
March 29: 11:55 dismissal. Easter break begins

Third quarter has come to an end. Report cards will be posted next Friday. Please remember you will be unable to access your child's grades until next Friday. Enjoy your 3 day weekend!

*Mrs. Nies*

**Religion:**

This week, students reviewed the themes of the 4-6<sup>th</sup> Commandments and reflected on working according to God's Will. We had an opportunity to reflect on our Lenten Journey by attending Reconciliation.

**Reading/Language Arts:**

In Reading, we read and discussed chapters 8+9. Omri's friend Patrick, used the cupboard to make a toy cowboy come to life. The 3<sup>rd</sup> Quarter AR goal is 21 points. In Language Arts, students created and used adjectives that compare, and took a quiz over lessons 1-7. We will be wrapping up our chapter on Adjectives next week.

**Chapter 13 Vocabulary:**

abstract, attentive, courtesy, noticeable, ally, bonus, manufacture, overthrow, appoint, carefree, mistrust, peculiar

**Math:** This week, students were assessed over chapter 5. In addition, we worked on prime factorization using factor trees. Remember to encourage your child to work in Math Reflex as much as possible. This will build fact fluency.

**Social Studies:** In Social Studies, students were introduced to a video about the Midwestern United States. They have been creating slideshows in Google Classroom about the Midwest. We will be sharing these projects next week in class.

**Science:** In Science, we continued watching our seedlings grow. We also learned about physical traits that are inherited from an organism's parents.
