

The Nies News

March 23, 2018

Important Dates:

March 23: Report Cards Posted
March 28th: Talent Showcase
March 29: 11:55 dismissal. Easter break begins

Religion:

This week we discussed Holy week and the Triduum.(pages 352-355) Today we attended our last session of Stations of the Cross.

Vocabulary Unit 14:

Absolute, arena, compliment, deliberate, dense, dominant, hazardous, huddle, necessity, offend, regain, thorough

Math: This week we have been finding quotients using 2 digit divisors. We will wrap up long division next week.

This week has been full of exciting adventures around the classroom. The fourth graders have been working hard during this first week of 4th quarter. Report cards have been posted. Please review these on School Speak and click the "sign" button no later than March 29.

Have a wonderful weekend!

Mrs. Nies

Reading/Language Arts:

In Reading, we read chapters 10+11. Omri and Patrick bring the little men to school and get into trouble. Earlier in the week, small groups shared stories they created about their adventures with Little Bear. In Language Arts, we used less, least, fewer, and fewest, found adjectives used as subject complements, and began reviewing for our test over adjectives.

Social Studies: In Social Studies, we discussed the resources of the Midwest region of the United States. (See pages 231-237 for review.) Students also presented projects they created to introduce us to the Midwestern United States.

Science: In Science, we explored animal adaptations. We had an opportunity to dissect owl pellets. We will begin wrapping up chapter 4 next week.
