

The Nies News

May 4, 2018

Important Dates:

May 4: No School

May 17: Banana Split Night

June 5: Last day of school

11:30 dismissal

Fourth grade has had a week full of exciting learning. Take a moment to review some of the key things we have covered.

Have a blessed 3 day weekend!

Mrs. Nies

Religion:

Chapter 15 focuses on how God is always our Forgiving Father as long as we are willing to return our hearts to Him. Students also took time to create cards for the second graders making their First Communion.

Reading/Language Arts:

In Reading, we continued our journey *through My Life as a Book*.

In Language Arts, In Language Arts, students reviewed and used helping verbs in sentences they also identified verb phrases.

Math: This week, we began working with fractions. We identified the numerator and denominator and compared and created equivalent fractions.

Unit 16 Vocabulary Words:
Adorn, appropriate, assemble, colossal, effective, frail, hostage, landslide, rampage, scamper, symptom, warrant

Social Studies: In Social Studies, we learned about the climate and the extraordinary landforms found in the Southwestern United States. We learned how wind and water erosion presented challenges like the Dust Bowl.

Science: In science, students replicated how environmental influences such as an extreme drought can impact the population of a species.
